# WHAT IS THE YORKSHIRE BEAST?

**2024**

WHAT STARTED IN 2024 AS THE YORKSHIRE BEAST — A BRUTAL 460-MILE RIDE AROUND THE PERIMETER OF YORKSHIRE WITH 29,000 FT OF CLIMBING (THE HEIGHT OF EVEREST), COMPLETED IN JUST FOUR DAYS BY MARTIN MANSELL. QUICKLY EVOLVED INTO SOMETHING FAR BIGGER. SUPPORTED BY ENJOY TRAVEL, EUROP CAR, WHEELBASE, CLARION SOLICITORS AND MORE, THE PROJECT SPARKED A MOMENTUM NO ONE EXPECTED.

**2025**

IN 2025, THE YORKSHIRE BEAST UNLEASHED TOOK THINGS INTERNATIONAL: A HEAD-TO-HEAD RACE FROM LEEDS BRADFORD TO NICE.

MARTIN TACKLED A 1,100-MILE ALPINE CYCLING ROUTE, WHILE STEVE DENNIS RACED A 3,300-MILE, 20-COUNTRY EV ROUTE ACROSS EUROPE. HUMAN VS MACHINE. GRIT VS BATTERY. THE CHALLENGE RAISED OVER £54,000 FOR ALZHEIMER'S SOCIETY AND CANDLELIGHTERS.

**2026**

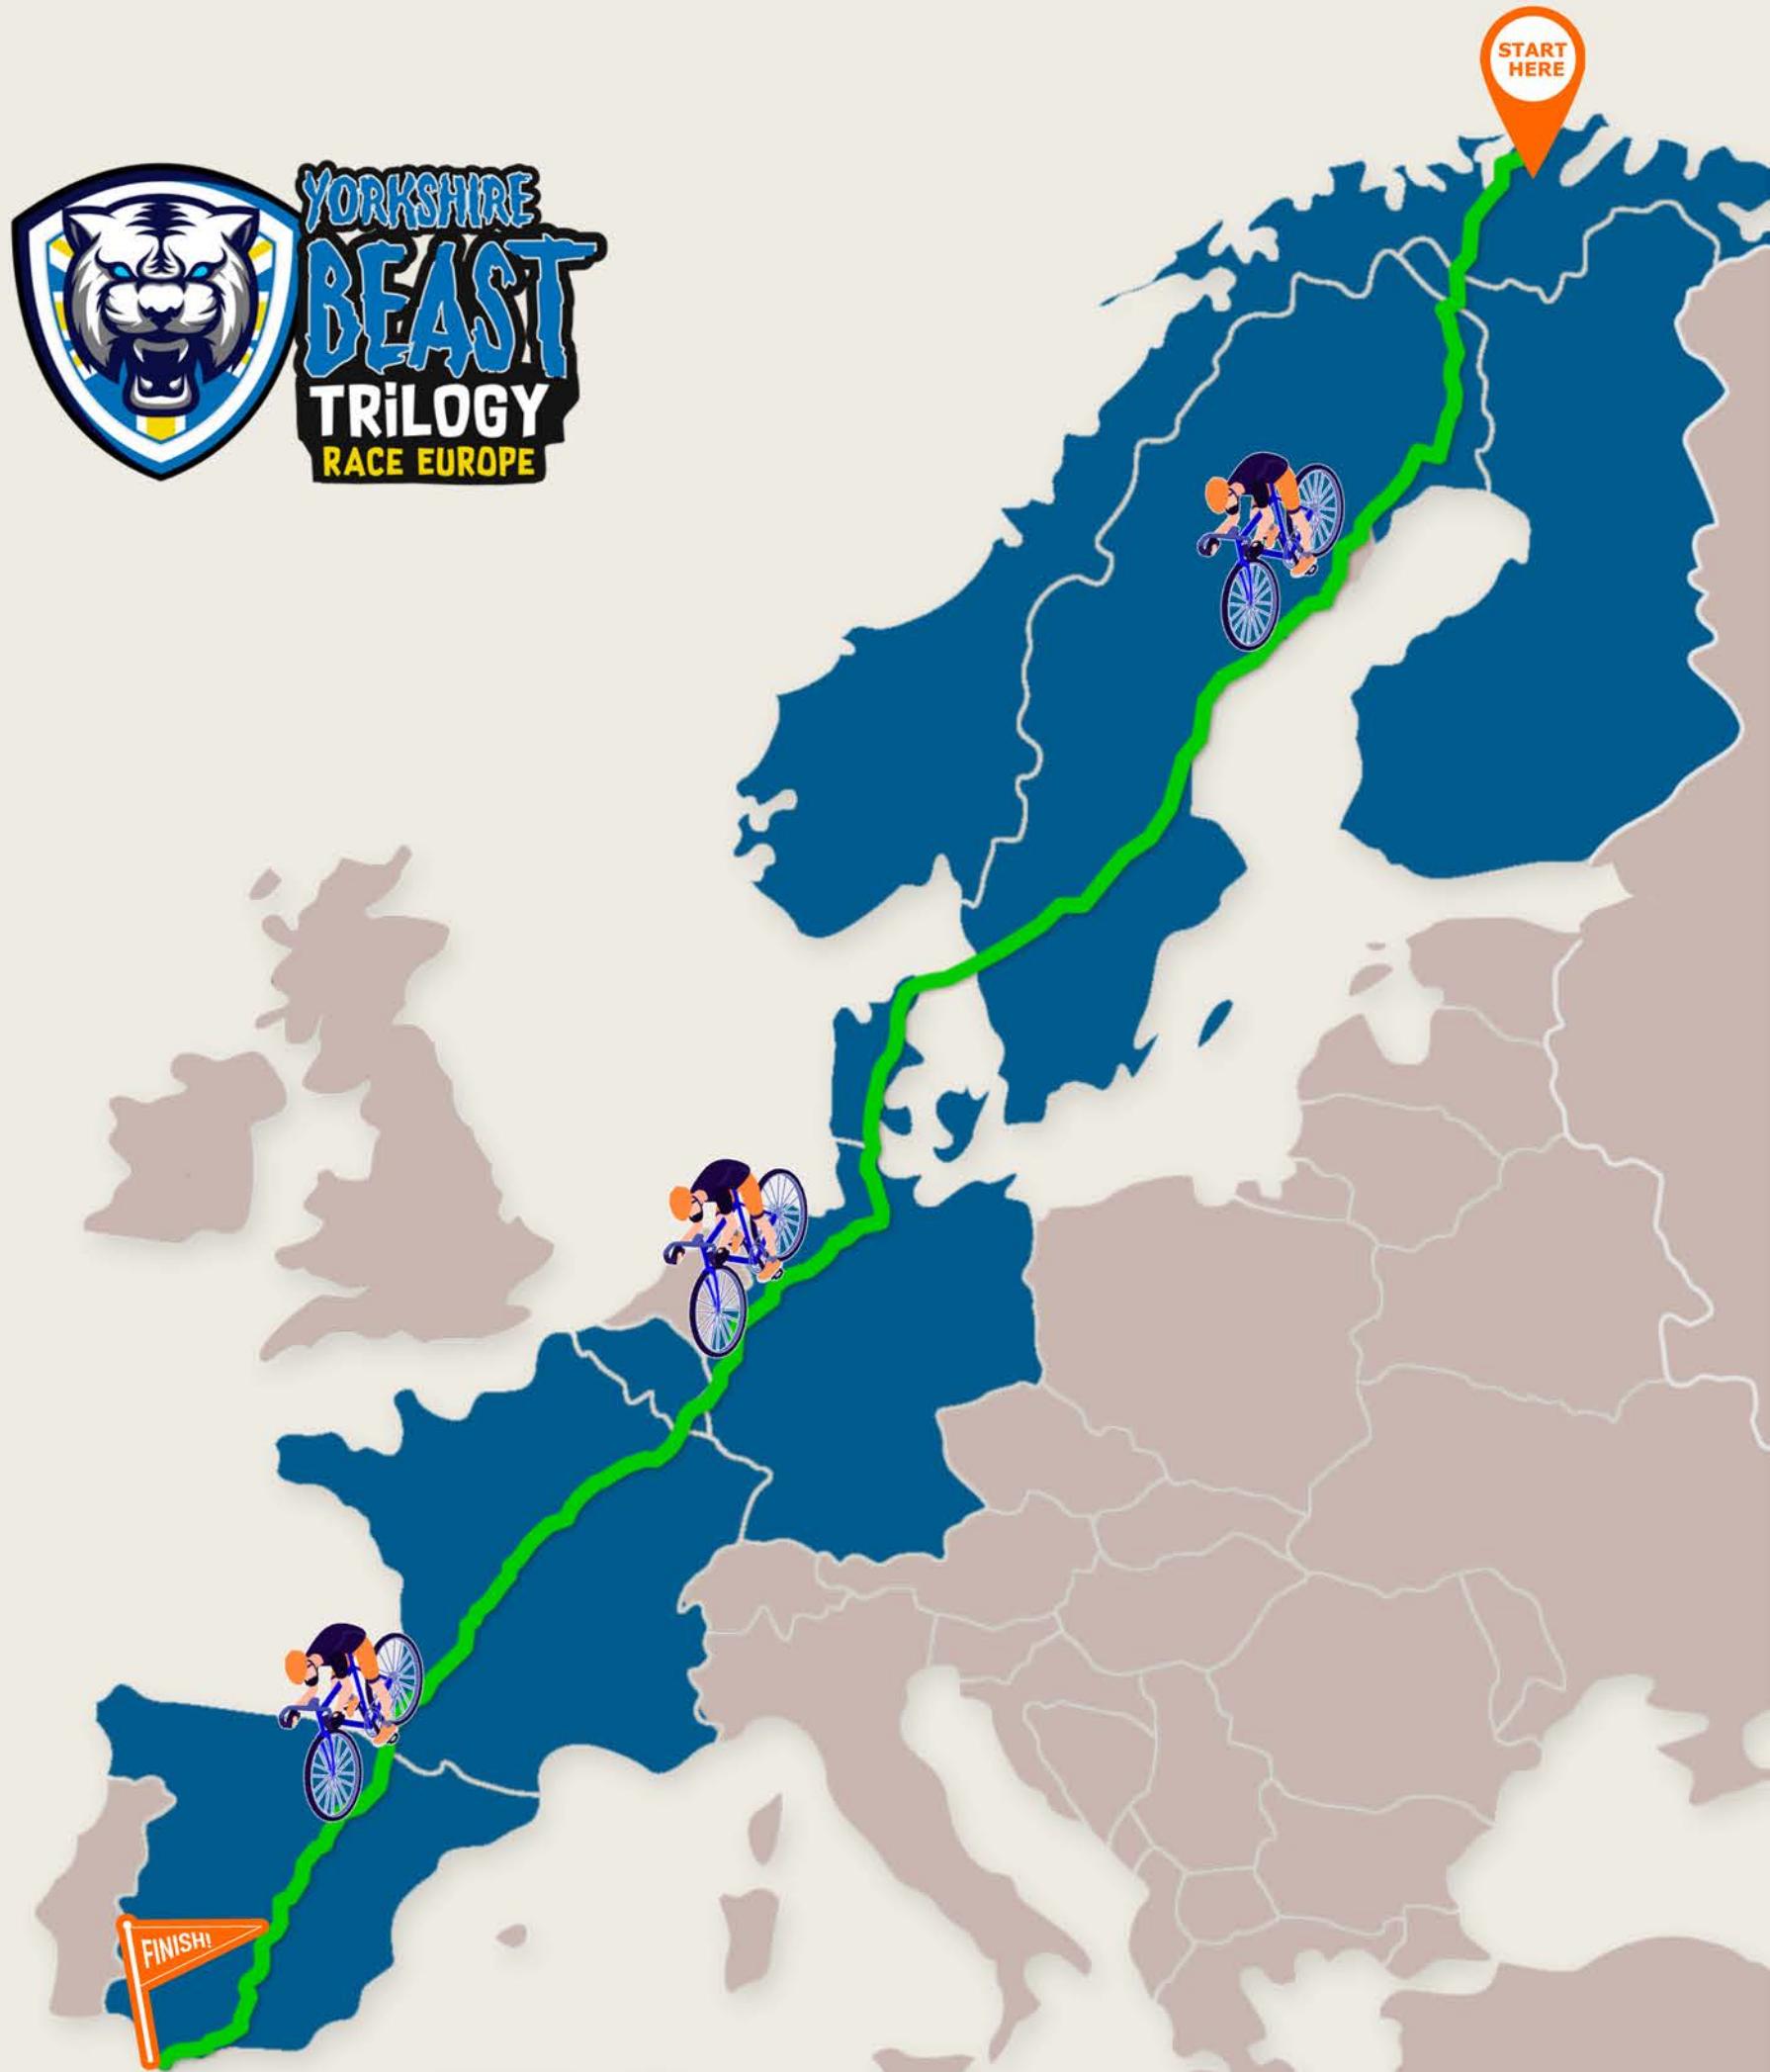

NOW THE JOURNEY CONTINUES WITH RACE EUROPE — THE TOUGHEST CHALLENGE YET

# TRILOGY RACE EUROPE

 **FROM: NORDKAPP, NORWAY**

 **TO: TARIFA, SPAIN**

From the Arctic tip of Europe to its southernmost edge, race europe covers roughly 5,400 km (3,375 miles) of some of the continent's toughest terrain. The team will ride through eight countries, battling sub-zero Arctic headwinds, remote wilderness roads, Scandinavian forests, Alpine passes, and the scorching heat of mainland Europe. With over 152,000 ft of climbing and a target time of under 16 days, this is a full world-record attempt, a test of endurance, strategy and resilience across every landscape Europe can throw at them.

Before recording, they join Mark and Martin for a ride in the destination, giving viewers an honest, behind-the-scenes look at how they train, think and prepare. The following day, the sit-down podcast dives into resilience, world records, and what really drives elite performers.

The new format turns the race europe project into a wider endurance platform — mixing storytelling, adventure and performance to inspire both athletes and everyday challengers.

# IN THE SPOTLIGHT

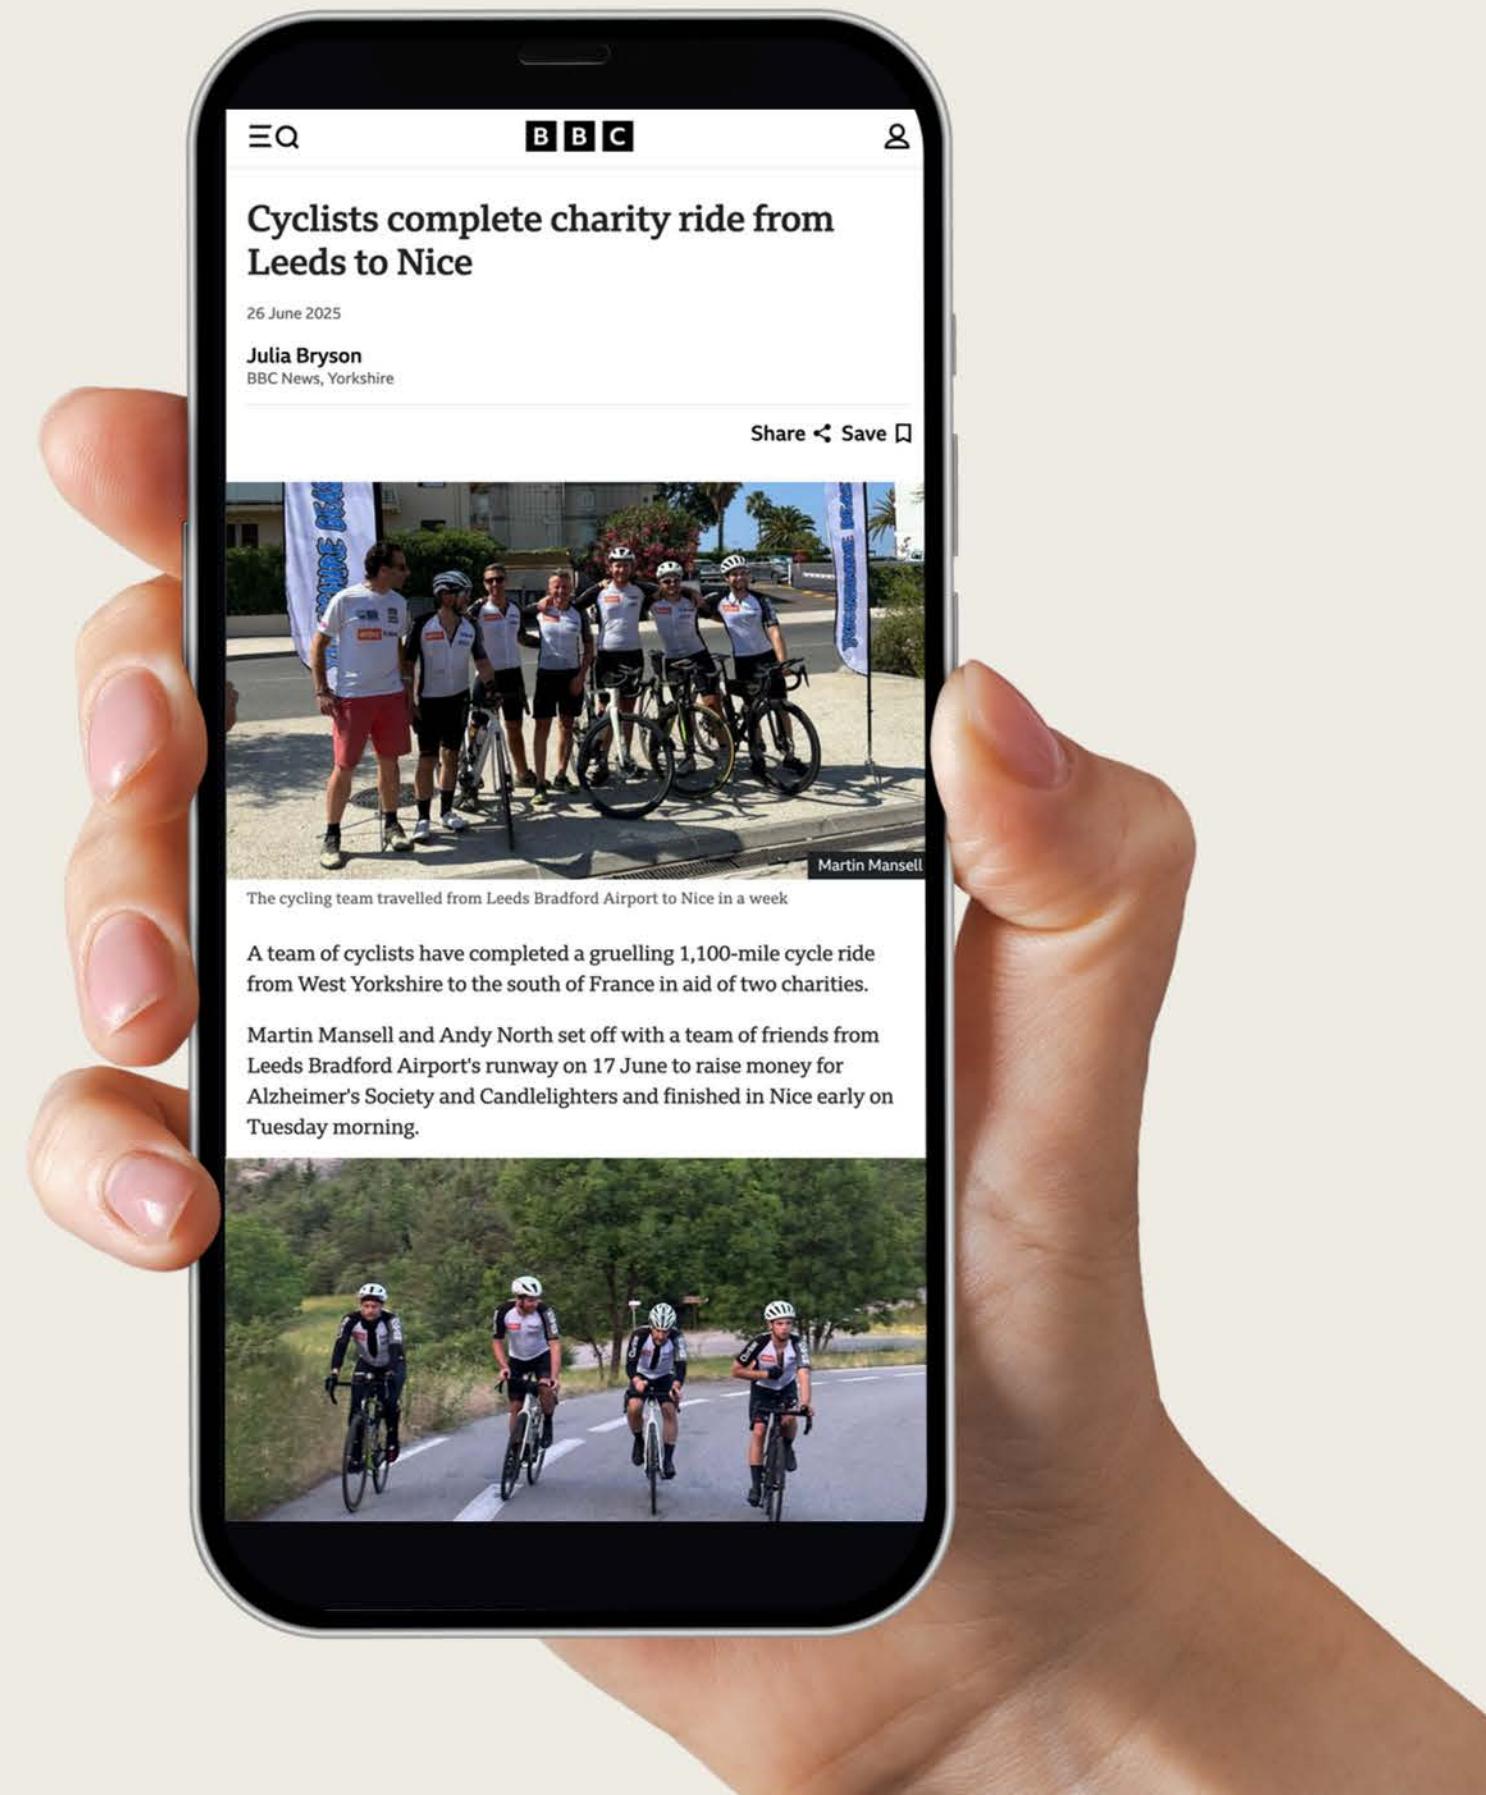

AMPLIFYING THE  
YORKSHIRE  
BEAST STORY

The Beast Unleashed roared into headlines across the UK and beyond.

The 2025 challenge received strong media attention, with a feature on the BBC and local coverage from the Yorkshire Evening Post and Yorkshire Press. Our own channels saw a major uplift too. The Yorkshire Beast Instagram account reached over 59.6k people during the challenge in June.

We estimate that over **5 million views** were generated online through our outreach, with coverage from the BBC, Yorkshire Post, West and North Yorkshire Chamber of Commerce, Look North, Norfolk Times and several other regional print and digital outlets.

From regional papers to national TV, the Beast made its mark.

# WHY WE RIDE

THE YORKSHIRE BEAST WAS NEVER JUST ABOUT DISTANCE OR ELEVATION, IT'S ALWAYS BEEN ABOUT DOING SOMETHING THAT MATTERS.

Each year, the challenge supports charities that are close to our hearts.

In previous years, these have included:

- Alzheimer's Society, helping families facing dementia
- Candlelighters, supporting children with cancer

In 2024, we raised over £16,000

In 2025, we raised over £55,000.

In 2026, we're aiming for £100,000.

This year, we're proud to support two incredible causes:

- My Name'5 Doddie Foundation, funding research and support for Motor Neurone Disease
- Yorkshire Children's Charity, helping children across Yorkshire access vital equipment, mobility support and opportunities

**We ride because we can.**

Because too many people are facing challenges they didn't choose.

And because pushing our limits can help support those who don't have a choice.
